L&D Network Bulletin 25.05.26

Welcome to the TyneHealth Learning and Development Network Bulletin

I am emailing with our next L&D Network Bulletin with new opportunities available. Please do pass onto all your staff.

We would like to note that the majority of the training we share is not organised by the L&D Network, although we are happy to try to help when problems occur it would often be best to direct any queries to contact emails through booking links.

Workforce Development

NEY Advancing Practice Application round 26/27

Re-opened the application process for organisations within North East and Yorkshire to apply for the NHS England funding to support training advanced practitioners in 2026/27 until **31st July 2026**. To apply for the NHS England Advanced Practitioner support, [please click here](#).

More information on the offer, including details of the training grant, can be found in the [North East and Yorkshire Faculty for Advancing Practice handbook](#) as well as the clinical salary support guidance attached.

Key Points:

- The [North East & Yorkshire Faculty Handbook](#) contains details about the funding offer from NHS England, employers' responsibilities/commitments and how to apply. If you still have questions, please email england.neyadvancedpractice@nhs.net
- Please note the document is a live document and may have updates added as and when.
- The deadline to apply is **30th April 2026** (dependent on numbers received)

- Each organisation applying must nominate a single contact to lead on the Advanced Practitioner process and act as a key liaison for all enquiries relating to Advanced Practitioners. All applications must be approved and submitted by the same lead contact.
- If you require any support accessing/completing the form please email: england.neyadvancedpractice@nhs.net
- We aim to notify your organisation of the outcome within 6-8 weeks of submitting your full application.
- Please note once funding is confirmed, organisations need to apply to their preferred HEI and follow their application process.

MIMS Learning Free CPD Modules

Access to a wide range of modules through the MIMS learning website [here](#). Modules include:

- Navigating the complexities of ageing
- Prevention and management of recurrent urinary tract infections
- Thinking Skin
- And more

Workforce Wellbeing
